Discover Spearfishing

Dive into the food web and experience the thrill of the underwater hunt. Our discover spearfishing is an extraordinary excursion for families and friends alike.

Description

You slide into the water as quietly as possible and take in the new world around you. Man, woman, girl, or boy; you are now a predator. You know your environment, recognize your prey, and have the underwater skills and cunning to bring your fish to the surface on a single breath. In an increasingly more interdependent society, who doesn't daydream of a simple and direct relationship with our food; of recognizing our place in the earth's order, embracing our primal nature, and celebrating the autonomy of a successful hunt and delicious meal.

Spearfishing, or underwater hunting, is fishing's most selective and engaging practice; the only fishing style in which one can cross the threshold of the oceans surface to become an active part of the underwater ecosystem; blending enjoyment and exercise into a true 'ocean to table' experience.

Great for families, this Discover Spearfishing excursion is a life changing family activity that introduces your children to the complete energy cycle giving them skills and appreciation to last a lifetime.

Our trained spear divers will take you through the basics of underwater hunting. You will learn how to safely operate your spear and equipment, distinguish the edible fish of our reef areas, and develop the cunning and the underwater skills to stalk and shoot your first underwater catch.

Features

- 3-hour expedition
- HD photography and videos by GO PRO
- Drinks (bottled water, electrolit® drinks, sodas)
- Safety gear on every boat (life jackets and marine first aid kit)
- Specially trained, bilingual and experienced Captain and Deckhands

Inshore Spearfishing

Tropical reefs, thrilling spear opportunities, sunrises/sunsets, and family fun; this spearfishing excursion is chock full of memorable adventure for all.

Description

Explore the area's rich reef ecosystems in search of gourmet fish species... many not often found on the commercial market... while also enjoying the dynamic volcanic reef structures and tropical marine fauna. Up your game with valuable local knowledge from our spear guides on the reef's edible fish, their behavior and terrain, and the appropriate gear and techniques for each species. Refine your camouflage and ambush techniques while searching the reef's caves for delicious snapper species... or get into the action as jacks or Spanish mackerels raid the reef edge.

This half-day excursion is excellent for the whole family and/or groups of friends. For the best hunting opportunity, either head out at dawn for an early morning on the reef or enjoy the prime-time afternoon hours complete with a spectacular Pacific sunset on the ride back to port.

Topping off this well-rounded adventure are luxury amenities including fresh ceviche prepared from your first catch accompanied by seasonal fruit drinks, all compliments of our Patron Experience™.

A spearfishing adventure for all to remember!

Blue Water Hunting

This excursion is the perfect combination of on-board luxury and raw adrenaline as we head into the world class fishing waters of Pacific Mexico for the ultimate open ocean spearfishing adventure.

Description

Our most outstanding experience, the Blue Water Hunting expedition is unlike any other. Off-shore is where fish stories need no exaggeration... Dozens of Mahi-mahi circling under a drift-wood log, Marlin moving in and out of a bait ball, Yellow fin Tuna schools barreling past as you dive into the open blue... and of course the pure adrenaline rush of a thrilling and successful hunt. Explore the crystal clear offshore waters of the Mexican Pacific, home to some of the healthiest fishing grounds in the world teeming with yellow fin tuna, mahi-mahi, wahoo, and more. Gain an extra edge as our RIFFE team's professional diver, Sebastian Melani, shares his personal tips on equipment use, dive techniques, and the local area, conditions, and game.

Our fully equipped boats and seasoned team of free divers and captains will assure a first-class experience. Enjoy freshly made ceviche from the day's first catch prepared by our chef and paired with our specially made seasonal fruit drinks as part of our Patron Experience™.

Scuba Diving Excursions

Our certified and experienced PADI dive staff will lead you through the dive experience of a lifetime and assure that not a single encounter goes missed. Travel out of the protected bay and into the open ocean in style and comfort aboard our custom dive fleet.

Description

These offshore dive sites offer both virgin reefs and pelagic big life encounters worthy of Nat Geo documentary footage; Schooling Tuna flying past, reefs swarming with sea turtles, Hump-back whale mothers introducing their calves to the world, reef sharks resting within the volcanic nooks, giant manta rays visiting the reefs' cleaning stations to be service by the most intricately colored tropical fish, even the tiniest most delicate sea horse as they hold the reef into which they seem to the untrained eye to disappear

Our certified and experienced PADI dive staff will lead you through the dive experience of a lifetime and assure that not a single encounter goes missed. Travel out of the protected bay and into the open ocean in style and comfort aboard our custom dive fleet.

A Scuba Diving experience for all to remember!

Our Dive Sites

- **El Morro**
Vertical pinnacles rising from the depths of over 100 feet providing a setting for almost unimaginable Marine life encounters.
- **La Corbeteña**
Two spectacular seamounts where are the biodense reef touches the open ocean....where pelagic giants intimately meet delicate reef life.
- **El Banco**
Three underwater seamounts that lie deep enough to leave an interrupted flow of pelagic life that seem to fly overhead.
- **Tres Marias Islands**
Jewell of the Mexican pacific, the Tres Marias Island chain boast unadulterated reefs, giving us a peek into underwater world that once was.

Coastal Foraging

Join our marine biologist/guide and Four Seasons chef for a coastal walk in search of edible sea life amongst a world of sea stars and seaweed... native swimmers and scuttlers.

Description

Reading the seasons, timing the tides, and knowing your sea life can reveal a smorgasbord of healthy food for foraging. With the help of your guide and chef, you too can learn to recognize valuable sea life, learn their uses, and get to know some key recipes.

Gathering and consuming wild plants and animal instills a greater respect for the environment that is their home. This experience reconnects us to the origins of our food and vividly illustrates our dependance on nature for our survival. You will not need to get into the ocean to take part in this empowering experience; however water shoes will be provided.

Step away from online recipes and store bought ingredients and into the forgotten reality that the earth provides everything we need.

Sunset Cruise

Bask in the luxury of our yachts while you enjoy nature's finest reminder of the here and now... the gentle slipping of the sun into the ocean.

PADI ACADEMY

Basic Freediving

Description

Freediving has been captivating the world for years with romantic visions of lone divers in the deep blue, unprecedented marine-life encounters, and the alluring discipline of moving meditation. Now it is your chance to immerse yourself in a magnificent underwater world that can only be experienced from within. A truly intriguing way to explore the aquatic realm, the practice of free diving is simultaneously a personal challenge and an experience of bliss; both an exercise and a meditation; a solo act that at the same time creates a feeling of unity and belonging.

Whether your goal is to become part of the reef or dive into the endless blue, Spearmex will introduce you to the best local sites appropriate for your skill level. Our certified instructors will share tips and techniques for deeper dives and richer adventures while allowing the safest and most enjoyable day on (and under) the water.

The internal discipline of diving to depths on a single breath welcomes the absolute best in marine life encounters... and Pacific Mexico has the best to offer with dynamic volcanic reefs, hearty marine life, and clean nutrient rich waters. Come and challenge yourself to explore the beauty of the ocean in a compelling new way.

PADI Freediver

Description

Experience freediving with Pacific Mexico's one and only freediving academy, Spearmex, Gain the skills and confidence to take on diving's purest discipline... one of mind and body.

In this complete PADI Freediver course, you will learn the most relevant techniques to train and adapt your body to be as efficient as possible while apnea diving. You will learn techniques to calm the mind and be introduced to the physiological changes your body undergoes while diving.

Some take up free diving as a sport to challenge their human limits or as a mental discipline to compliment their yoga and meditation practices. Many just want to take snorkeling to the next level; experience the underwater world from within and enjoy more intimate marine life encounters. For others, free diving is the first step towards spearfishing, to bring a sense of autonomy into a modern lifestyle by hunting their own food.

Whatever your goals... Your journey begins here!

Discover Scuba Diving

A quick and easy introduction into what it takes to explore the underwater world. Although this is not a scuba certification course, you'll learn all the steps it takes to be a PADI certified diver.

Description

Have you always wondered what it's like to breathe underwater? If you want to try scuba diving, but aren't quite ready to take the plunge into a certification course, Discover Scuba Diving is for you. PADI dive shops offer this program either in a pool, off a beach or from a dive boat. You can try scuba close to home or while you're on vacation at a dive destination. While not a scuba certification course, Discover Scuba Diving is a quick and easy introduction to what it takes to explore the underwater world. To sign up for a PADI Discover Scuba Diving experience, you must be at least 10 years old. No prior experience with scuba diving is necessary, but you need to be in reasonable physical health. Are you ready to try it out? Use the event locator to find and schedule a Discover Scuba Diving experience near you.

You learn the basic safety guidelines and skills needed to dive under the direct supervision of a PADI Professional. If you make an open water dive, you'll practice a few more skills in shallow water to prepare for your adventure.

Features

- Welcome kit
- HD photography and videos by GO PRO
- Drinks
- Safety gear on every boat (life jackets and marine first aid kit)
- Specially trained, bilingual and experienced Captain and Deckhands

Open Water Diver

Description

Diver certification begins here. Start with PADI's online eLearning course. Move to the pool and practice your new skills. Then experience four open water (ocean/lake) dives.

If you've always wanted to take scuba diving lessons, experience unparalleled adventure and see the world beneath the waves, this is where it starts. Get your scuba diving certification with the PADI® Open Water Diver course – the world's most popular and widely recognized scuba course. Millions of people have learned to scuba dive and gone on to discover the wonders of the aquatic world through this course. To enroll in a PADI Open Water Diver course (or Junior Open Water Diver course), you must be 10 years old or older. You need adequate swimming skills and need to be in good physical health. No prior experience with scuba diving is required.

The PADI Open Water Diver course consists of three main phases:

- Knowledge Development (online, independent study or in a classroom) to understand basic principles of scuba diving
- Confined Water Dives to learn basic scuba skills
- Open Water Dives to use your skills and explore!

A full-page background image showing two divers exploring a large shipwreck underwater. The scene is set in clear blue water, with sunlight filtering down from the surface. The shipwreck is a large, dark structure with various metal parts and debris visible. Two divers, equipped with scuba gear, are swimming near the wreck. Bubbles are visible rising from their tanks. The overall atmosphere is one of exploration and discovery.

Advanced Open Water Diver

Description

This course can be taken after completing the PADI Open Water Diver certification. It's titled PADI Advanced Open Water Diver because it advances your diving knowledge & skills.

That's what the PADI Advanced Open Water Diver course is all about. You don't have to be "advanced" to take it – it's designed to advance your diving, so you can start right after earning your PADI Open Water Diver certification.

The course helps build confidence and expand your scuba skills through different Adventure Dives. You try out different specialties while gaining experience under the supervision of your PADI Instructor. You log dives and develop capabilities as you find new ways to have fun scuba diving.

Academic

You'll plan your learning path with your instructor by choosing from a long list of Adventure Dives. There are two required dives – Deep and Underwater Navigation – and you choose the other three, for a total of five dives.

During the Deep Adventure Dive, you learn how to plan dives to deal with the physiological effects and challenges of deeper scuba diving. The Underwater Navigation Adventure Dive refines your compass navigation skills and helps you better navigate using kick-cycles, visual landmarks and time.

The other knowledge and skills you get vary with your interest and the adventures you have – photography, buoyancy control, fish identification, exploring wrecks and many more.
